ART IN THE CITY

## 125 jaar Escher

**DAILY**

This year marks exactly 125 years since the birth of one of Leeuwarden's most famous residents: Maurits Cornelius Escher. The iconic graphic artist grew up in the city palace that now houses the Prinsessehof Ceramics Museum. The city will commemorate this anniversary in various ways, including a route along several 3D artworks by Leon Keer and other artists.

ACTIVITY

## Stadsstrand Leeuwarden

**DAILY**

You don't necessarily have to go to the coast for a wonderful day at the beach. You will find this cozy city beach in the heart of Leeuwarden! The place to SUP (stand up paddle), canoe or just enjoy an ice-cold drink on a hot day. Discover it for yourself!

WALK

## Miniature People Leeuwarden

**DAILY**

Meet the smallest inhabitants of the city! At more than sixty locations in the city centre of Leeuwarden, you will discover the minuscule people in unexpected places. Rock climbers clamber up City Hall, homeless people sleep under a marble surround, and a construction worker with a jackhammer makes a huge crack in the ground.
